BROOKSHIRE'S NEW BILL.

Comprehensive Changes in Our Present Financial System.

The bill provides that no greenbacks shall be issued of a smaller denomination than \$10; that not over one-fourth in value of the amount of circulation issued to national banks shall be of a less denomination than \$10. That coin certificates shall be issued instead of silver certificates, gold certificates and the treasury notes issued under act of July, 159. The bill provides for the purchase of coin certificates on all of the greenbacks. The bill and silver coin and gold buillon in the treasury in excess of \$100,000,000 of gold, which is held as reserve for redemption of the greenbacks. The bill also provides for the issue of coin certificates on all of the eliver seigniorase buillon notes exceeding \$1 for \$414 grains of pure silver, and that it shall be the duty of the secretary of the treasury to pay out these coin certificates on all of the eliver seigniorase buillon notes exceeding \$1 for \$414 grains of pure silver, and that it shall be the duty of the secretary of the treasury to pay out these coin certificates in discharge of all of the obligations of the United States, except such as made expressly payable in coin.

Moreover, the bill provides that the owner of coin, gold and silver, may deposit the same with the treasurer or any sub-treasurer of the Unites States in the sum of \$10, or any multiple thereof, and receive coin certificates in lieu of same.

THEY CANNOT BE DEPORTED.
